DETAILED ACTION

Allowable Subject Matter

Claims 4, 7 and 11-25 are allowed.

The following is an examiner's statement of reasons for allowance:

Regarding claim 11, the prior art of record fails to show a chair ganger apparatus including a flange mount adapted to be coupled to two chairs arranged to lie adjacent to one another in side-by side relation, wherein the flange mount includes a fixed plate coupled to the first side wall of the gang flange and arranged to extend into the cross bar retainer channel and a removable plate arranged to extend into the cross bar retainer channel in a space provided between the second side wall of the gang flange and the fixed plate, the flange mount also includes a first cross bar formed to include the fixed plate and adapted to be coupled to two legs of a first chair and a second cross bar formed to include the removable plate and adapted to be coupled to two legs of a second chair, each of the first and second cross bars is formed to include a gang-flange receiver channel, and the top wall of the gang flange is positioned to lie in the gang-flange receiver channel formed in each of the first and second cross bars, in combination with other specifically claimed features.

Art Unit: 3636

Regarding claim 24, the prior art of record fails to show a chair ganger apparatus including a first chair including a first cross bar including a top edge interrupted by a gang flange receiver channel formed in the first cross bar, in combination with other specifically claimed features

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
